*Eau
Parfumée*

au thé vert

*In homage to revitalizing Japanese Green Tea,
a fresh luxury Eau de Cologne*

Eau parfumée au thé vert is Bulgari's very first fragrance for men and women. For the first time, a unique, bold and unexpected ingredient such as tea was at the center of the inspiration of a fragrance, giving an unusual sensorial and olfactive coloration to the concept of Cologne, one that was essentially aromatic. This was a new and exclusive accord in perfumery, and a new way to wear perfume.

The infinite vivacity of Italian bergamot immediately seduces the senses. The incomparably fresh accord of green tea, pepper, cedar wood, beeswax, and white musk notes that follows contains all the innate purity and transparency of a moment when the body and mind rediscovers sensations that are original, alive and vibrant.

A vital expression of refined elegance, it awakens and refreshes the senses. With Eau Parfumée au thé vert, Bulgari invites guests to experience sensations of pure and immediate well-being through simple, everyday gestures and rituals.

*A revitalizing fragrance
with a bright and exclusive accord*

au thé rouge

*Redolent of solar South African Red Tea,
a vibrant luxury Eau de Cologne*

Enhanced by the powerful allegory of red, the solar nuance of life, Eau Parfumée au Thé Rouge offers a seductive embrace that is modern and sensual.

The fragrance begins with the intense freshness of pink peppercorns flanked by tangy, assertive orange. Then, surprisingly, the enveloping soul of the composition reveals the dominant accords of Rooibos tea. This seductive velvet heart, enhanced by fig pulp, explores the deeper resinous tones of walnut and white musk in a final sustained and captivating note.

Eau Parfumée au Thé Rouge creates an experience of absolute indulgence, conveying to guests the warmth and fullness of sensual pleasure.

Eau Parfumée

au thé bleu

*Inspired by the finest Chinese Oolong Tea,
an airy luxury Eau de Cologne*

Eau Parfumée au Thé Bleu is like oxygen, an immense bubble that surrounds and purifies. These beneficial virtues of air are amplified by the positive qualities of blue. With its clarity and transparency, this nuance symbolizes the infinite, the divine, spiritual escape, and the inner calm of introspection. Bulgari has captured this spirit in Eau Parfumée au Thé Bleu.

From its first notes of lavender oil diffuses a very natural blue and aromatic freshness. One immediately feels a sense of wellness. The unique signature of shiso leaves reinforces this feeling of purity. The heart is developed around a violet accord, then united with floral nuances, pink and aqueous, that recall the fluidity of a fine oolong tea. The blue tea accord is finally revealed, delicate and deep, its many subtle facets characterized by fullness and harmony. In the final accord, the lavishly flamboyant iris envelops the fragrance with a richness and incomparable comfort enhanced by soft musks.

With this creation, our senses flee the everyday; tensions unwind. Gravity seems to disappear. With Eau Parfumée au Thé Bleu guests will discover a new sensation, a renaissance for the body and the mind.

Eau Parfumée

au thé noir

*Inspired by Black Tea of Yunnan,
a mysterious luxury Eau de Cologne*

Eau Parfumée au Thé Noir swells at the rich heart of tea-time tradition, capturing the essence of an age-old art.

The mysterious and evocative ingredients in Eau Parfumée au Thé Noir give it a sensual, compelling personality. The Cologne leaves a floral and woody scent on the skin, opening with a sumptuous top note of Rosa Damascena Absolute and green notes of zesty Bergamot essence that illuminate the fragrance. Magnolia adds roundness to the scent with an element of openness and freshness, highlighting the opulent heart with its fluid, aqueous notes. In a final embrace, base notes of Patchouli and Oud wood mingle with Black Tea as they bring a mysterious, warm aura to the unmistakable essence of Eau Parfumée au Thé Noir.

With complex facets that culminate into an olfactory big bang, this creation instantly recalls the bold style iconic to Bulgari. With Eau Parfumée au Thé Noir, guests will share a unique experience through mysterious notes.
